3. Only one dog may be loose in the competition area at any one time.
4. The owner has the right to select the height, above the minimum height, at which the dog will commence competition.
5. It is suggested that a second handler be used to catch the dog on the other side of the jump.
6. Each dog is allowed three jump attempts at each height if necessary until only one dog remains to provide a winner.
7. The dogs can remain on the lead during the run up and jumping, however the dogs can not be assisted by the handler by pushing or pulling the lead.
8. Any mishandling, abusive or misuse of the dog will incur immediate disqualification.
9. The dogs can be encouraged over the jump by either handler.
10. If more than one dog has jumped the final height, a count back on refusals is to be done to find a winner. If all are equal the prize is shared, with each dog declared winners.
